We make available our beautiful indoor and outdoor premises to organise a dedicated cocktail and gelato tasting event. Come join us for a relaxed evening and spoil yourself to great gelato and Prosecco.

### GELATO TASTING AND KNOW-HOW

Learn to taste gelato in a professional way. We perform a tasting session where we bring the methodology of wine tasting to ice-cream for an event full of fun and learning. We work jointly with a well-known Sommelier to share with you the secrets of good ice-cream making and its ingredients. The session includes a 'taste and guess' game as well as a live demo by our team of gelato makers.

We have catered to a number of clients including:  
Deloitte Luxembourg SA, Pylos Luxembourg SA,  
Ober Avocats & Partners, EUMA - European  
Management Assistants Association, Bazar  
International de Luxembourg - Italian Stand  
and other private and public institutions.
